[1](#). (S) Emboff delivered ref A talking points to Takao Shishikura, Director, Office of International Affairs for Security Export Control, and Atsushi Tanizawa, Deputy Director, Security Export Control Policy Division, Ministry of Economy, Trade and Industry (METI) May 1. Shishikura said his office will provide the points to the responsible person at Mitsubishi Heavy Industries (MHI) to make the company aware of the suspected end user and to advise against the shipment of the diesel generator. Shishikura also said Japan Customs would identify the suspect shipment should MHI elect to proceed with the transfer. The METI officials said they will contact Embassy Tokyo if further information develops.
